SYBE Grows as Doctors Weigh Benefits of Outsourcing Billing Headaches

March 8th, 2009

When we have a **chronic** headache or pain in our **posterior** we go to our doctor. When doctors discuss such ailments they are often referring to their growing discomfort due to enormous insurance paperwork overloads and Medicare frustration. The mounting burden consumes limited, valuable patient time according to SYBE Medical Management, a Los Angeles-based firm specializing in improving the bottom line for a growing list of physician offices.

"As physician practices attempt to remedy the paperwork problem many are looking at outsourcing to professionals who are trained and efficient in streamlining the billing process," says Steven Garrett, manager of SYBE Medical...
