Press Release Source: SYBE Medical Management On Tuesday January 19, 2010, 1:00 pm EST

LOS ANGELES--(BUSINESS WIRE)--SYBE Medical Management, a Los Angeles-based firm specializing in improving the bottom line for physician offices by processing their billing announced the opening of three new offices. The new locations include San Francisco, San Diego and Las Vegas.

"More than ever, physicians are looking for ways to improve their bottom lines because of increased paperwork and reduced compensation from insurance companies and government programs," says Steven Garrett, manager of SYBE. "We want to have better access to the physicians in the primary markets of California and Nevada," Garrett added.

SYBE's whole approach to physician billing and insurance paperwork is efficiency: the number one measure of their success in improving a bottom line.

Beginning with an analysis of concerns and needs through meeting with the doctors, SYBE then assigns one of their highly experienced teams trained to resolve and execute the doctor's monthly billing. Each SYBE team utilizes the latest state-of-the-art billing and information management software to maximize payments and minimize the time it takes to get them.

The key to SYBE's success is the high staff-to-client ratio for superior attention to detail. Typically, the SYBE team works directly with an office manager, keeping the physician's office informed with detailed reports and monthly analysis.

All medical payments are sent directly to the physician. SYBE never receives billing payments.

"One of the initial concerns by doctors when considering outsourcing is loss of control," added Garrett. "Unless a doctor stays after hours and personally processes the billing it is really being 'outsourced' to internal staff." Control is actually gained by outsourcing because of the timely, sophisticated reports generated for the physician by SYBE. SYBE is involved in all aspects of the medical profession including insurance and patient billing, management and consulting.

The three new locations are located at 8880 Rio San Diego Drive, San Diego, CA 92108, phone 619-569-2750; 101 California Street, Suite 2450, San Francisco, CA 94111, phone 415-295-4528; and 2300 W. Sahara Ave., Suite 800, Las Vegas, NV 89102, phone 702-949-6500.
